LIMITED WARRANTY

(United States, Canada, APAC)

This warranty is provided to you by Linksys LLC, a wholly-owned subsidiary of Belkin International, Inc., or one of its subsidiaries or affiliates ("Linksys")

IMPORTANT NOTICE REGARDING YOUR CONSUMER RIGHTS

The benefits we give in this manufacturer's warranty are additional to, and do not detract from, any rights and remedies that you may have under local consumer protection laws.

This manufacturer's warranty is governed by the laws of the country in which you purchased your Linksys product. In many countries, consumers have statutory rights under local consumer laws. Those consumer rights may differ between countries, states and provinces, and often cannot be excluded.

This Manufacturer's warranty is not intended to:

- change or exclude any statutory consumer rights that cannot be lawfully changed or excluded; or
- limit or exclude any right you have against the person who sold the Linksys product to you if that person has breached their sales contract with you.

A. SCOPE OF MANUFACTURER'S WARRANTY

(i) Express warranty – warranty periods and remedies

Linksys warrants the hardware in this Linksys product against defects in materials and workmanship under normal use for the Hardware Warranty Period. The Hardware Warranty Period begins on the date of purchase by the original end-user purchaser and lasts for the period specified below:

- Twelve (12) months for new product
- Ninety (90) days for refurbished product

If you make an eligible hardware claim under this manufacturer's warranty, Linksys will honor this warranty by doing one of the following (at its option):

- a) repairing the product with new or refurbished parts,
- b) replacing the product with a reasonably available equivalent new or refurbished Linksys product,
- c) refunding the actual purchase price of the product less any rebates and discounts, or
- d) paying the cost of repair of the product.

Any repaired or replacement products are warranted for the remainder of the original Hardware Warranty Period or 30 days, whichever is longer. All products and parts that are replaced become the property of Linksys.

Linksys additionally warrants that any media on which software for the product may be provided will be free from defects in materials and workmanship under normal use for the Software Media Warranty Period. The Software Media Warranty Period is a period of ninety (90) days from the date of original purchase. If you make an eligible software media claim under this manufacturer's warranty, Linksys will honor the warranty by replacing the software media.

No Linksys employee, agent or reseller can make any verbal or written modification, extension or addition to this manufacturer's warranty.

Note 1: Be aware that goods presented for repair may be replaced by refurbished goods of the same type rather than the defective goods being repaired. Alternatively, refurbished parts may be used in the repair.

Note 2: The rights and remedies outlined above are the only rights and remedies available under this manufacturer's warranty. However, a defect which gives rise to a claim under this manufacturer's warranty may also give rise to rights under local laws, and different or additional remedies may be available under those laws. Further, rights and remedies may be available under local laws even for defects, goods or services that are not covered by this manufacturer's warranty at all.

(ii) Express warranties NOT given

Linksys does not give any express warranty:

a) in relation to software or services provided by Linksys with the product, whether factory loaded on the product or contained on media accompanying the product, except for the limited warranties given in section A(i) above;

b) in relation to any third party software or service offerings which may be included in, or bundled with the product;

c) that the operation of the product, software or services will be uninterrupted or error free;

d) that the product, software or services, or any equipment, system or network on which the product, software or services are used will be free of vulnerability to intrusion or attack; or

e) as to the continued availability of a third party's service which this product's use or operation may require.

Note: Although these warranties are not expressly given by Linksys they may be implied or otherwise given under local laws.

(iii) Circumstances in which this manufacturer's warranty does not apply

This manufacturer's warranty does not apply if:

a) the product assembly seal has been removed or damaged,

b) the product has been altered or modified, except by Linksys,

c) the product damage was caused by use with non-Linksys products,

d) the product has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Linksys,

e) the product has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident,

f) the serial number on the product has been altered, defaced, or removed, or

g) the product is supplied or licensed for beta, evaluation, testing or demonstration purposes for which Linksys does not charge a purchase price or license fee.

In the United States, this manufacturer's warranty does not apply to products purchased from a source other than Linksys or a Linksys Authorized Reseller.

Note: Although this manufacturer's warranty does not apply in the above circumstances, you may still have rights and remedies under local laws.

WHICH ARISES UNDER ANY LAW (INCLUDING THE LAW OF NEGLIGENCE) AND RELATES TO YOUR USE, OR INABILITY TO USE A LINKSYS PRODUCT OR SOFTWARE, OR ANY RELATED SERVICES. THIS EXCLUSION APPLIES EVEN IF LINKSYS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF ANY WARRANTY OR REMEDY PROVIDED UNDER THIS MANUFACTURER'S WARRANTY FAILS OF ITS ESSENTIAL PURPOSE; AND

- LIMITS ITS MONETARY LIABILITY TO YOU, UNDER ANY LAW, TO THE PRICE THAT YOU PAID FOR THE LINKSYS PRODUCT.
