## MOTOROLA TALKABOUT® SX800 TWO-WAY RADIO SERIES

The Motorola Talkabout® SX800 is the must-have communication tool for each and every outdoor enthusiast. With a powerful range of up to 16 miles\* this radio is perfect for family and friends to stay in touch whether you're tackling a backcountry trail, or trying to brave a crowded shopping mall. The SX800 doesn't stop at just exceptional range. This lightweight unit comes packed full of essential features.

## NOAA WEATHER CHANNEL

Want to know where the best conditions are for your rocky climbing outing? Tune into one of 7 NOAA channels (National Oceanic and Atmospheric Administration) on your SX800 for continuous local and regional weather broadcasting. And when you are out having fun, weather alerts will provide you with warnings of incoming weather to protect you from the danger of a sudden storm.

## FULL-FEATURED PRIVACY

The Talkabout® SX800 has full 22-frequency capacity with 121 privacy codes to reduce interruptions. The Motorola QT functionality allows the radios to be set so they can communicate with other compatible Motorola products, adding yet another level of distinction from the other manufacturers.

## HANDS-FREE COMMUNICATION

In the middle of a mountain bike trail, you really don't want to take your hands off the handlebars. Enter iVOX. Acting as a speakerphone, the iVOX hands free communication allows you to use your hands for other activities while keeping in touch.

## PRICING

Manufacturer's Suggested Retail Price is \$79.99 per pair.

FOR ADDITIONAL MEDIA INFORMATION, CONTACT: COLLEEN PHILBRICK, HAUSER GROUP, 912-236-1192 OR C.PHILBRICK@HAUSERGROUP.COM. FOR DEALER OR CONSUMER INQUIRIES, PLEASE CALL 1-800-638-5048.

\*How far can I expect my radios to communicate? The communication range quoted is calculated under optimum conditions, with an unobstructed line of sight. Actual range will vary depending on terrain and conditions, and is often less than the maximum possible. Your actual range will be limited by several factors including, but not limited to, terrain, weather conditions, electromagnetic interference and obstructions. See [www.giantintl.com/range](http://www.giantintl.com/range) for further details.
